

## **Resolution in support of the Sustainable Communities Bill**

That Warmington Parish Council

- (i) expresses its concern at
  - the decline of local services and facilities which affects local communities and in particular the elderly and people on the lowest incomes;
  - the resulting decline of local jobs and local economies and the resulting extra traffic and pollution caused by the need to travel further
  
- (ii) and notes that this combination of factors increases people's feelings of exclusion and lack of involvement; and so
  
- (iii) supports measures to reverse this process and
  
- (iv) supports the concept of local sustainability as envisaged in the Sustainable Communities Bill, namely;
  - the promotion of local economies
  - the promotion of local services and facilities the protection of the environment
  - the reduction of social exclusion and
  - measures to increase involvement in the democratic process
  
- (iv) and accordingly resolves to support the Sustainable Communities Bill which
  - requires the government to assist councils and communities in promoting local sustainability in ways decided by them; and
  - sets up a participative process whereby councils and communities can drive the way in which government uses its power and influence to assist with the promotion of local sustainability; and
  - notes that this Bill is therefore fully in accord with current thinking in local government in that it impacts on central authorities and does not impose any new duties on councils but instead enables them to influence how government uses its resources and influence to help councils and communities; and
  - specifically provides that where councils themselves decide to take action to promote local sustainability that they should be given the resources to do so; and so
  
- (v) and further resolves
  - to inform the local media of this decision;
  - to write to local MPs, asking them to support the Bill; and sign EDM (Early Day Motion) No. 641; and
  - to write to Local Works, the Campaign behind the Bill, (at 94 White Lion Street London N1 9PF) expressing its support.
