

## Warmington Parish Council/Warmington Neighbourhood plan

### Vision

Warmington will retain its character as a rural parish and a thriving village with an historic core set in open countryside

### Aims and Objectives

1. To provide the highest possible service to residents with training & standards
2. To enable residents to be involved in the community and its future development, by promoting genuine transparency into the work of the parish council and to encourage input from residents
3. To forward the interests of residents and businesses and to facilitate and encourage the prosperity of the micro- economy
4. To work to improve the built environment, protect the natural environment and preserve the village heritage
5. Foster links with the Primary School, encourage activities for the none-core aged group residents and support local clubs and societies.
6. Provide and maintain facilities for leisure and recreation, (Recreation ground, Play Park, Allotments, Pocket Parks.)
